FOR IMMEDIATE RELEASE

Write Content For The Reader- No One Else, Write Effect eBay Ads, Blog, and Podcast  
- Web Content Rx Shows You How

(Coventry, CT - July 2, 2009) **Web Content Rx A Quick and Handy Guide For Writers, Webmasters, eBayers, and Business People** shows you how to write Web content that is easily read and understood. Unlike many other books on writing for the Web, how to blog, make podcasts, structure data, and write effective eBay ads are also covered. Published by Career Press, marketed worldwide, and picked up by Skill soft Books 24x7 Web Content Rx is well accepted by those who need content.

### **How To Write and Photograph More Effective eBay Ads**

You will learn how to write and photograph more effective eBay ads. This from one of our endorsers, Steve Dombeck, who own a store that sells goods on eBay. Steve increased his sales by using the techniques presented in Web Content Rx.

### **Worldwide Marketing**

Web Content Rx A Quick and Handy Guide For Writers, Webmasters, eBayers, and Business People is being sold in Japan, Taiwan, Australia, Canada, the United States, England, and Germany. It is available in book stores and online. Visit [WebContentRx.com](http://WebContentRx.com) for endorsements and about the author information.

### **Skill Soft Books 24x7**

Skill Soft Books 24x7, a supplier of small business solutions, has picked up Web Content Rx and will market it to their corporate clients.

### **About The Author**

Wayne English is a Web content expert, Web master, author, and writer with extensive Web development experience, and local, national, and international publications in major magazines, newsletters, and newspapers. Wayne's teaching background includes basic, intermediate, and advanced photography, Software Quality Assurance, Radiation Protection, the Mathematics, Physics, and Metric System sections of a health physics course, Standard First Aid, Advanced First Aid, and Cardiopulmonary Resuscitation.
